Minden Carnival To Expand Next Year

Minutes after the final event in the fifth annual winter carnival had been completed, plans for next year's event were being discussed by Charles (Slim) Brandon and members of his executive.

They forecast a carnival spreading over two week-ends with many new innovations.

Mr. Brandon said reason for enlargement of the carnival was because of the tremendous response to this year's event. "It was the best yet. We attracted larger crowds than ever and the many new innovations were extremely well received."

Although attendance on Saturday was down slightly from last year, this was more than compensated by the number of visitors who flocked to the village on Sunday. There was a steady stream of traffic entering and leaving the village for Mountain Lake and Carnarvon. Those who stayed in Minden could choose between watching a hockey game, "jam can" curling or visiting the many interesting exhibits.

Saturday's parade which preceded the official opening by Syl Apps, former member of the National Hockey League Toronto Maple Leafs, was the largest in the five-year history of the carnival.

A float entered by the "50 Club, Lindsay", was awarded top prize. Carnival Queen Linda Suter, of Haliburton, rode in a cutter. An estimated 3,000 persons lined the parade route. Cold 16 below zero temperatures were blamed for the smaller than expected crowd. On Friday night the thermometer dipped to 25 below.

An hour before the parade was scheduled to start, the temperature dropped rapidly as a chill northeasterly wind started howling.

The official ceremonies marking the opening had to be delayed 15 minutes to give those in the parade a chance to "thaw out."

Lynda Rosenberg and Pamela Lonsbury, runners-up in the carnival queen contest accompanied Miss Suter to the ice arena where she was presented with a bouquet of roses by Daniel Ryan.

Mr. Ryan, representing the mayor of Welland and the Welland Rose Festival committee, praised the village for its fine carnival.

Mr. Ryan said that Minden could well be proud of its achievement. He said the carnival had done much to boost development of the Haliburton Highlands as a year 'round resort area.

Don't Stop Now

Have you been up to inspect the progress being made on Haliburton's new Arena lately? If not, you will be pleasantly surprised when you do. This smacking new community centre is a whole lot more attractive than we had anticipated and it is being built within the estimated cost which means that the ratepayers of Dysart will not have a single cent added to their tax bill, other than the amount of the debenture approved by the ratepayers by their vote on May 2nd of last year.

There is however one fly in the ointment as the saying goes. When the new arena was first discussed, Ab LaRue pledged that he would himself assume the task of raising at least fifteen thousand dollars and no one can say that he has not done a wonderful job in this respect. At present he lacks some nine hundred dollars of this amount. While we have no doubt that the fifteen thousand mark will be reached, a few hundred extra will not come amiss, as it will enable those in charge of building operations to provide a much finer snack bar. Facilities in this respect were greatly lacking in our old arena and we hope that it will be possible to improve on the present plans for the new lunch counter as this can easily be one of the most profitable areas in the centre.

Albert J. LaRue is to be highly commended for his untiring efforts in raising this amount of money and we hope that he will be able to exceed the target by a good margin.

We cannot say when the arena will be open for skating and hockey, but it is the hope of many that a sheet of natural ice may be laid to play off the Glen Dart Memorial Trophies Tournament.

Canadian Guards Band Play At H. S.

The Canadian Guards Band from Petawawa rendered a concert at the Haliburton Highlands Secondary School on Wednesday afternoon. The concert was enjoyed by the students and other music lovers from the County.

Minden Kinsmen News

At Christmas time the Kinsmen held a draw for the purpose of raising funds for children's playgrounds. The prize was $500.00 and the winner Mrs. Mabel Wideman. Mrs. Wideman very graciously gave $300.00 of her winnings to our playground fund.

Our Bingos are continuing to draw good crowds and with a large sum in the jackpot and sixty numbers we are looking for an extra large turnout at our next Bingo.

Kiddies at the parade held in connection with the carnival held last week-end really got a big kick out of receiving Kinsmen tokens which were redeemable for 50c and in some cases $1.00.

SPORTS FLASH

The Haliburton Highlanders who have been playing exhibition games this season enter the Juvenile O.M.H.A. Play-offs this Saturday night in Newcastle. It is a best two out of three series.

A bus will leave Haliburton at 4:15 p.m. for the game. Seats are still available.

Palmers Rink Wins Spiel

Gerry Palmer's Fenelon Falls rink of Mrs. Palmer, Jean Moore and Joe Gamsby won the Hiram Walkers Trophy and top honours in the three day curling bonspiel held at the Minden Curling Rink over the week-end.

Second prize went to Ford Trebellco's Woodville rink.

Bernie Bell of Fenelon Falls was high two game winner and high one game winner was Roy McLeish.

Car-Plow Crash

LINDSAY (ENS) — A car - snowplow crash at Maple Lake last Tuesday resulted in $300 damage to the vehicles, report Ontario Provincial Police at Haliburton.

Drivers were Lloyd Harrison of Minden and Alfred Sisson of West Guilford.

T. H. Stinson Dies At 84 Was Once MP

LINDSAY (ENS) — Thomas Hubert Stinson, 84, of 62 Albert St. North, Lindsay, former Victoria Riding Conservative member in the House of Commons under the Honourable R. B. Bennett died Friday at his home.

He was past chairman of the board of governors of Ross Memorial Hospital in Lindsay, director and later manager of Victoria Trust and Loan, now known as Victoria and Grey Trust Company and was a director until his death.

A lifetime member of Cambridge St. United Church, he was also on the board of stewards and other credits included being past president of the Lindsay Bar Association; past Crown Attorney; past president of the Watchman Warder newspaper.

The funeral was held Monday from Mackey Funeral Home to Cambridge St. United Church for service at 2 p.m. Burial was made at Riverside Cemetery.

Car Accident

At 3:30 p.m. on Wednesday, a car driven by Ernest Warren, and another driven by James Ronald Reill, were involved in an accident on the Kennisis Lake Road. No further details were available at press time.

House Ransacked

GOODERHAM — The log cabin home and headquarters of Canadian Nazi leader Ross Taylor was ransacked last Wednesday night. A plate glass window was smashed, furniture upset, dishes broken and curtains ripped.

Snow Vehicle Rally Planned

We are informed that a big Snow Vehicle Rally is planned to take place on Head Lake here on February 28th. This form of amusement is becoming quite widespread and it is hoped that the efforts of those who are planning this big meet will be favoured with favourable weather conditions which have a great bearing on the success of such ventures.

Weather Report

Recorded by John Elstone

Period January 27 to February 3

Maximum temperature 24 degrees January 27; Minimum temperature -20 degrees January 29; Snowfall 2"; Snow on ground 14".

Two Injured In Car Accident

Two Haliburton men were involved in an accident last week on Highway 519, 3 miles west of Haliburton in which two other people were injured.

A Chevrolet station wagon driven by Bruce Gould was turning into Earle Casey's driveway when it was hit by a half ton pickup driven by Victor Hutchings who was proceeding toward Haliburton. According to the Minden OPP, Mr. Gould's view was obstructed by a knoll and a huge snow bank.

Mrs. Earle Casey, a passenger in the Gould station wagon, received bruises to her forehead. Larry Hutchings, five years old, a passenger in the truck received lacerations under his chin.

Total damage to both vehicles was estimated at $575.00.

OPP Constable Brooks of the Minden detachment investigated.

Good Skiing At Carnarvon

Skiing conditions are reported excellent at Carnarvon with a 12" packed base and 3" of powdered snow. Two ski tows are in operation each week-end. An instructor will be on hand at the tow to provide free instruction to those of fifteen and under who would like to master the art of skiing.

For those who do not have their own equipment, same may be rented from the Club House.

Boy Scout Outing

The hills surrounding Kennisis Lake resounded with joy last week-end as 16 boys of the Haliburton Boy Scout Troup safaried over the frozen lakes with supplies in tow on toboggans, drawn by snow vehicles supplied by John and Peter Curry.

Bill Curry's hunting camp was certainly the type of environment necessary for the week-end of skiing, snowshoeing, ice fishing and tobogganing said the three leaders of the expedition of fun, Lance Easton, Stan Hill and Dave Exley. Transportation of the boys was certainly aided by Roy Schroter and Cliff Dawson's cars, not excluding the help and support given by Cec Bailey who also stayed for the week-end. Keith Hodgson caught the one and only trout of the trip.

The troup leaders want to thank all for the help and co-operation of all concerned and the boys are looking forward to further enjoyment on other field trips.

Two Car Accident At Moore's Falls

Two cars were involved in an accident at Moore's Falls on Sunday evening. A car driven by Thomas McVey of Whitby, and another by Murray Bacon of Lindsay, side swiped each other at the Moore's Falls bridge. The accident was caused due to ice on the highway.

Damage to both vehicles was estimated at $200.00.

OPP Constable Parsonage of the Minden detachment investigated.

Linda Suter Of Haliburton Crowned Carnival Queen

—Photo by Alan R. Capon

Linda Suter, 17, of Haliburton was crowned Queen of the 5th annual Minden Winter Carnival last Friday night. Linda Rosenburg, 16, of Haliburton, and Pam Lonsberry, 17, of Minden were chosen as runners-up. There were 12 girls in the contest. The contestants were judged by Mr. and Mrs. Dickson Melville, Lindsay, Jack Ramsay and Donald Fair, Toronto.

Local Bantam Hockey Games

The Wilberforce Bantams defeated the Haliburton Bantams 7-6 in a close game at Wilberforce on January 25th.

Watson led the winners with the hat trick, with Bill Boonhour, Cully and Tighe scoring one each.

Paul Wilson had two for the losers, with Craig Stamp and Roger Scheffee also picking up two goals.

The Wilberforce Bantams took Haliburton into camp by the score of 8-4 in a minor hockey league game played at West Guilford.

Bill Watson had a big night for Wilberforce, scoring five of his team's eight goals. J. Allan scored two and D. Tighe added a single.

Paul Wilson, John Parish, Roger Scheffee and Randy Scott scored for the losers.

Four penalties were handed out, three to Haliburton and one to Wilberforce.

The Haliburton Bantams won a close 6-5 victory over Minden in a regular scheduled Haliburton County Minor Hockey league game in Wilberforce on Monday night.

Paul Wilson led the winners with a three goal attack, while John Parish had two and Jim Cowan added a single.

Fraser scored two for Minden, Bruce Rockory had two and Bob Wells added a single.

Four penalties were handed out, and all went to Haliburton. Tim Carroll went off for interference, Paul Wilson for tripping, Jim Cowan for tripping, and Lee Stamp also for tripping.

Forest Ranger School Starts School Year

The Ontario Forest Ranger School has now underway its 1965 School year. On January 4th, 127 eager young men from all parts of Ontario, from the provinces of New Brunswick, Quebec, and Manitoba, the state of Michigan and Jamaica and Kenya began a course of study which is an important step towards a career in the production or utilization of the earth's renewable natural resources of forest, fish and wildlife, water and recreations. Besides the 127 students in the general diploma course, an additional 25 students in two groups commenced their training in two other courses, i.e., the last half of a post-diploma certificate course for Instructors in Forest Fire Control and a Course in Law Enforcement for conservation officers.

In February, courses in Lumber Grading under the auspices of the Canadian Lumbermen's Association commenced.

In March, the first term of the general diploma course ends and the second term commences four weeks later. During this four week's period the first scaling course in 1965 will be conducted by, and at the School.

In April and May the students in residence at the School will consist of the general diploma course second term students and the Faculty of Forestry, University of Toronto, or about 225 students.

The general diploma course students will undergo a rigorous training schedule of eight periods per day, five days a week, in the lecture rooms, laboratories and the University Forest, regardless of weather conditions. Their main subjects in the first term include Forestry, Forest Mensuration, Forest Dendrology, Surveying, Mathemathics, verbal and written Communications, Forest Protection, Fish and Wildlife and Drafting. Instruction is through nine full-time instructors and several part-time instructors who together constitute an impressive record of education and experience.

The composition of the general diploma course is of interest and may be summarized as follows:

Non-Sponsored — 117 students of which 14 come from Metro Toronto, 25 from rural Southern Ontario, 22 from rural Northern Ontario, 36 from Urban Southern Ontario and 16 from Urban Northern Ontario and 4 from other provinces and the state of Michigan. The average age of these young men is 21 years and their academic grade varies from Ontario Grade 10 to 13 with the majority in Grade 12.

Sponsored — 13 students of which 8 are sponsored employees of the Ontario Department of Lands and Forests and 5 are sponsored by the External Aid Office, Ottawa.

To house these students and visitors in residence at the School a building programme of considerable proportions is underway. The major item is a new 90 bed dormitory which also includes additional classrooms and other facilities. To service the students a staff with a variety of abilities is employed. Most of these have been recruited from rural and urban areas adjacent to the School.

Prospective applicants to the School are requested to see their Guidance Teacher or to write the School at Dorset, Ontario for further information. Brochures, Prospectus and information are available on request. Applications for the general diploma course in a given year must be submitted and completed by July 15th of the preceding year.

Provincial Police Constable Stuart Brooks told the court of apprehending the accused in Somerville Township on Highway 503 at 5:30 p.m. on December 24th, 1964. The accused pleaded guilty to the charge and was fined $50.00 and costs by Magistrate Ian Munro. The court allowed the accused two weeks to pay the fine.

BANK OF MONTREAL REPORTS—

MONTREAL — In the West Indies, rapidly increasing population, rising standards of living and diversification of the economies are creating an expanding but increasingly challenging market with opportunities for Canadian exporters.

This view is expressed by the Bank of Montreal in its January Business Review, just issued. The review also discusses the growing importance of visitors from Canada in the area, which last year numbered more than 25,000, and Canadian investment in the islands.

"The recent changes in the volume and composition of trade between Canada and the West Indies have been strongly influenced by developments in the islands themselves," the B of M states.

"A vigorous sales effort is required if Canadian exporters are to maintain and expand their share of this growing but increasingly complex market.

"An indication of the potentialities is contained in the fact that, while a handful of items account for the overwhelming percentage of our exports to the islands, the remainder is made up of about 500 different products, each presumably capable of expansion," the bank observes.

$50 MILLION EXPORTS

While the West Indies have an unfavourable balance of merchandise trade with the outside world, the islands have had a favourable balance of trade with Canada for many years. Canadian imports from the islands in 1963 were about $74 million, while exports to them were only about $50 million.

"Exports at this level represent a substantial increase compared with the previous year and, indeed, there have been encouraging increases in the past three years. However, the significance of export trade with the islands lies not so much in its absolute amount . . . as in its potentialities," the bank states.

CHANGING PATTERNS

The B of M notes that the traditional main exports of sugar, molasses and rum from the West Indies have in the post-war years been passed in importance by bauxite and alumina, while petroleum and fuel oils have moved up the list ahead of all agricultural products except sugar and its derivatives.

"Taken together, this handful of commodities . . . now account for more than 95 per cent of the islands' total exports to Canada," the bank states.

"In the other direction, imports from Canada, the trade continues to be dominated by fish and agricultural and forest products, although in the past decade or so an increasing quantity of a wide range of manufactured goods . . . have been moving south. However, while the gains in exports of the products of secondary industry have been substantial, they have not been large enough to prevent a decline in Canada's share of the total market."

This share dropped from 38 per cent in 1945 to less than 8 per cent in 1963. During this period, the total market increased sixfold, but Canada's exports increased by only about 20 per cent.

Rotary News

The Haliburton Rotary Club held their weekly meeting at the United Church at Haliburton on Thursday night last with five members absent and no guests present. Those absent were Curry Bishop, Glenn Austin, Keith Carnochan, Harold Proctor and Lester Walling.

The club was in a good singing mood and Frank McIntyre led the group in some songs with some good old harmonizing.

A letter was read from J. Douglas Hodgson, principal of the Haliburton Highlands Secondary School recommending that Linda Sibley of Essonville be selected to go to Ottawa for the 15th Annual Adventure in Citizenship sponsored by the Rotary Club.

Jack Robertson was the only member to bring pictures to be sent to France. Members are asked to please bring these photos of the local area to-night's meeting.

President Joe Iles read the Governor's letter in which it shows that once again the Haliburton Club led the December attendance with a mark of 99.49%

Martyn Best told the members of a trip he took recently down south with three other local Rotarians, namely Oscar Yarnold, Curry Bishop and Lester Walling. The trip down south was to Minden and Martyn presented the club with a Minden Rotary Club pennant.

A film put out by the C.N.R. was shown entitled, "Alaska Cruise". The film was taken aboard the C.N.R. ship, the Prince George. This was one of the best films ever shown at the local club.

SUGAR AND SPICE

HE WAS FOREVER ENGLAND

With his usual superb sense of timing, Winston Churchill chose to die during a rather dull winter period when it was possible to attract the attention of the entire world without fear of anyone stealing the scene from him.

It was time to go. There is nothing more pitiable than a great man reduced to dotage and senility. He was spared this.

Despite the avalanche of anecdotes and eulogies and reprints of his speeches, I don't think there was deep and widespread sorrow at his demise. Certainly, there was none of the heart-in-throat grief that accompanied the death of President Kennedy.

It was more of a nostalgic sadness, a sense of the loss of an institution. One can imagine the English feeling like this when Queen Victoria died, after 60-odd years on the throne.

Quite a man was Sir Winston. And just that. Not a superman, but a man.

And that was why he was able to seize and shake and straighten the hearts of the free world, with his courage and his tears, his defiance and his prayers, during those days when Europe, and the world, were threatened with "a thousand years of darkness."

Most of us have several elements in our character. Churchill was a kaleidoscope of the colors of life. He was reactionary and reformer; he was earthly realist and poet; he was dreamer and doer; he was selfish and selfless; he was arrogant and humble. He was part pirate, part prophet; part imperialist and part imp. He was ruthless, but he wept easily. He was a hundred other things, just as contradictory.

I was 19 when the "phoney war" ended, and the German legions smashed through Belgium, and life suddenly became very real. And I shall never forget the thrill, the sense of hope and of resolution, that surged through us when the lion's growl rasped over the Atlantic on the airwaves, "We shall never surrender." It's difficult to realize that he was 65 then, an age when most men are retiring from life and the struggle.

I saw the old fire-eater once, and was almost trampled to death in the process. It was on an airstrip in Normandy, in the summer of 1944, a few weeks after the invasion.

We were drawn up on parade in the dust and heat, officers in front, other ranks in the rear, and we stood there, muttering curses, for half an hour.

Suddenly a little two-seater scout plane popped over the horizon and squatted 60 feet in front of us. The pilot climbed out. We could see his air-vice-marshall's stripes and grumbled our disgust for all brass. Then the back cockpit opened and a vast, cherubic visage, with a cigar in it, beamed at us.

He came out of the thing like a baby whale coming out of a chicken's egg. He stood on the wing, grinning. He stuck up two fingers in the world-famous V-sign, but with just a suggestion of the service-man's naughty gesture which looked much the same but meant something quite different.

Then he waved, an embracing wave that said, "Come on in closer." Our total complement of officer pilots was almost wiped out when the rear ranks surged through, around and over us, to cluster within touching distance of the old war-horse.

He talked for five minutes, earthy vocabulary Caesar employed when addressing his legions. And then he was off, the incredibly foolish and gallant old man, hopping to another airfield, risking his skin to have a look at us and let us have a look at him.

And human he was! My favourite story is the one involving Lady Astor, the hard-nosed, asp-tongued old aristocrat. She became enraged during an argument with Churchill, and rired what she thought was the parting shot, "If you were my husband, I'd poison your coffee." To which the great man replied promptly and politely, "Madame, if you were my wife, I'd drink it."

We shall not see his like again.

Canadian Cancer Society Report

Lindsay, Ontario,
January 11th, 1965.

To all Fellow Workers
of the Cancer Society:

1964, with all its successes and failures, all its ups and downs, has come and gone and we are now facing up to 1965 with all its hidden opportunities and problems.

As your President for another year, I wish to personally thank each and every one for all you have done in 1964 and suggest that we resolve to make 1965 a better year in our Society. In work such as we are engaged in, we can never afford to lower our banner nor suggest that our work is done. The need conitnues. The opportunity continues and if we continue, we shall surely some day witness a break-through and concrete results from long years of research. In the meantime we are contributing to that research and at the same time lending a helping hand to those who sorely need our aid.

The following is a list of our Executive for the coming year:

Hon. President - Col. R. I. Moore, Q.C.; Past President - Mr. Stewart Bryson; President - Mr. Jasper Forman; 1st Vice-President - Mr. L. J. Mackey; 2nd Vice-President - Mr. John Arril; Secretary - Mrs. Catherine Hawkins; Treasurer - Mrs. L. W. Jordan; Campaign Chairman - Mr. L. J. Mackey; Asst. Campaign Chairman - Mr. Norman Ryckman; Women's Services - Mrs. K. W. Griffin; Extension - Mrs. Ruth Smale; Education - Mrs. Bob Martin; Medical Advisor - Dr. Robert Watson.

I wish you one and all a very Happy New Year made still more happy because you have lived it for others and so I close with the prayer of "Tiny Tim",

"God Bless Us Everyone"

JASPER FORMAN, President,
Victoria & Haliburton Unit.

WOMEN'S SERVICE COMMITTEE FOR 1964

In the year 1964 just past, the Local Society has assisted twenty-eight patients in the various ways that we are able to help those in need. This included the following:

8 patients supplied with dressings; 12 patients supplied with transportation to Princess Margaret Hospital; 1 patient taken by Ambulance to Princess Margaret Hospital; 9 patients received pain relieving drugs and other medical assistance; In addition 1332 dressings were made and 1253 given out along with other articles to assist the ill; A shower of Christmas gifts received were distributed among the patients.

And so the work goes on from year to year in a quiet way with no fanfare but always aiming to lend a helping hand where help is needed.

Yours faithfully,
Mrs. Myrtle Griffin, Chairman.

EMO Chief Given Raise

LINDSAY (ENS) — The salary of James Hall, Victoria-Haliburton Counties Emergency Measures Organization Co-ordinator, was hiked by $500 to $5,500 by Victoria County Council last Thursday.

An amendment adopting the increase carried by a 13-11 vote. Fenelon Falls reeve Wilfred Jacket sponsored a motion that the salary remain unchanged.

Reeve Hilliard Murphy, Bobcaygeon, suggested the salary remain at $5,000, "because Mr. Hall has been a county employee for less than a year."

Jack Campbell, Woodville reeve, said reports indicate Mr. Hall is doing an excellent job despite trying conditions. He suggested the product the co-ordinator is selling is a tough one.

It was the opinion of Edward Lowes, Emily Township deputy reeve, that the county would be severely criticized if there was no EMO setup. He agreed that many people feel EMO is unnecessary, but added that Mr. Hall is performing an excellent task.

CARNARVON

(Intended for Last Week)

Mr. and Mrs. Burton Sr. of Paris, Ontario are visiting their son, Mr. and Mrs. Hal Burton.

Mr. and Mrs. Jones of Goodeerham were week-end visitors with Mr. and Mrs. Allan Thomas.

Mr. and Mrs. Brian Jeffs and three children of Don Mills spent the week-end with Mr. and Mrs. Alf Wills.

Mr. and Mrs. Hedley Burden of Beamsville were guests of Mrs. Elsie Bursey over the week-end.

It is with deep regret that we learn of the death of Mrs. Elspeth Ross in Dunhaven, Scotland. Mrs. Ross spent several years here with her daughter, Mrs. Russell Packard, and became a member of the Church and W.A. and was highly respected by all who knew her.

Mrs. Elsie Bursey was hostess to the U.C.W. Fellowship Group on Monday night.

The sympathy of the community to the family of the late Mr. Dan McPhail. The funeral took place at Maple Lake on Tuesday, January 26th.

Congratulations to the newlyweds Mr. and Mrs. Everett McPhail (nee Carolyn Crawford) who were married on Saturday.

The children of the village had a special part in the Winter Carnival when many parents saw the boys play minor hockey on Friday evening, and on Saturday morning the jam can curling and skating races were well taken part in.

Miss Linda Burk of Lochlin was a week-end guest with Miss Janice Robinson and family.

The Curling Club had a busy week-end with a bonspiel and members providing meals and accommodation for this group.

All the families in the village had visitors from near and far. The reservations committee had done a fine job on finding places for everyone. The village was very attractive with the lights on the homes from the holiday season and new ones added for the carnival week-end. All the committees have done a splendid job and are to be congratulated on a fine Winter Carnival.

Mr. Bill Dugan of Toronto was a Saturday guest with Mr. and Mrs. Phil Robinson and family.

Many from the area took time from a busy week-end to watch the stately funeral of the late Winston Churchill on Saturday morning.

CHURCH NEWS

WILBERFORCE W.A.

St. Margaret's Women's Auxiliary, Wilberforce, held their first meeting of the year at the home of Mrs. James Miller. The meeting opened with a hymn, Bible reading and prayers. Nine members were present.

Moved by Mrs. Miller, seconded by Mrs. Tallman that the treaurer's report be approved as read.

To avoid confusion it was decided we should set our bazaar dates for the year. Dates set - July 17th and November 27th.

During the Christmas holiday Mrs. Cameron found two books suitable for farewell gifts which were sent to Mrs. McNeely and Mrs. Bidgood.

Several thank you notes were read and the remainder of the evening was spent on the Study Book.

LINDSAY PRESBYTERIAL U.C.W.

The third annual meeting of the Lindsay Presbyterial United Church was held January 20 in Cannington United Church with an attendance of approximately 300 ladies present.

The President, Miss Vina Neal of Victoria Road, asked the assembly to stand and bow their heads in silent prayer for Sir Winston Churchill who was very ill, after which she extended a warm welcome to all present and commended them for coming on such a stormy morning.

The highlight of the day was the address by Mr. Nelson Abraham, M.A., B.D., who came to Canada from India in 1947 and at the present time is working on the New Curriculum at the head office of the United Church from which he brought greetings. Mr. Abraham was a college graduate when he came to Canada and he graduated in Theology from Emmanual College since arriving in Canada. Shortly after arriving in Canada he was asked by the United Church to come with them and work among young people. After graduating in Theology he accepted a position as Chaplain in a prison in Saskatchewan and four years ago when he was flying to a Trustees Convention in Halifax, he stopped off at the United Church head office and that was when he was first introduced to the New Curriculum and asked to work on it. He felt this was his answer to "What am I doing here? Where am I going?"

The new curriculum is not just a new course of study but much more. There is a felt need to try and give our children a fresh incite into the Bible. Where do we stand in a face to face encounter with God and people? We do not achieve Salvation alone, the new curriculum is the tool to express this. The theme for the adult study is "God and His Purpose" by J. S. Thomson, and study groups become listening groups for an encounter with God. There will be a newness in us as long as we keep on listening to what God has to tell us. To belong to God is to give time, talents and money.

The morning worship service was led by Mrs. Walter Russell, Woodville, and Mrs. J. Alton, Hartley, taking as their theme Prayer-Faith. The definition of prayer is laying our lives open to God, telling Him all the desires of our hearts, listening to His voice. If you are a child of God it is sinful to worry. The only way to deal with worry is to have faith and when you have faith you will be free of fear. A beautiful solo rendered by Mrs. G. Hoult, Little Britain, closed the worship service, "Leave It With Him".

Haliburton Highlanders Lose At Minden Carnival

On Sunday, January 31st the Highlanders lost their second game of the year to a much improved Lindsay team by the narrow score of 6-5 at the Minden Arena.

The game proved three things, first, our boys proved they can really go if they want to when they scored four goals in the first period; second, you can't afford to let up for a minute when Lindsay scored four goals to Haliburton's one in the second period; and third, our boys have the ability to come back when they find themselves in trouble. The winning goal came when Haliburton had two players to Lindsay's one in the penalty box.

Haliburton goals were scored by Cummings with two, and singles by Sawyer, Black and Stackhouse.

This game was played in Minden in connection with the Winter Carnival and judging by the fans' reaction, no one was disappointed.

Haliburton Juveniles Defeat Fenelon Falls

On Wednesday, January 27th two goals in the first period and two in the third gave Haliburton a close win over Fenelon Falls, as Fenelon spotted the Highlanders three goals and then came within one goal of tying it up on two quick goals by Fenelon's Bob Jamieson in the third period.

A total of 30 minutes in penalties were handed out by referees A. Gostlin and Mike Jackson.

Haliburton goals were netted by Ron Stackhouse from Gartshore, Ron Cummings from L. Sawyer, Ron Stackhouse from Roberts, Neill Hewitt from Easton.

Monarchs To Play Peterboro

The Minden Monarchs have organized a hockey team for the 1965 hockey season and have received a bye into the Intermediate 'B' O.R.H.A. Playdowns. From now until play-off time, the Monarchs will play exhibition games to keep in shape.

This Saturday night, February 6th, the Monarchs will meet the Peterboro Merchants in an exhibition game at the Minden Arena. Game time has been slated for 8:30 p.m. and a large crowd is anticipated for this contest.

Come on out and cheer the Monarchs on to victory and see this year's team in action.

Scouts Play At Minden

The Minden Boy Scouts were host to the Haliburton Boy Scouts in a hockey game played at the Minden Arena on Monday night at 7 p.m. Both teams played good hockey and enjoyed a wonderful night of fellowship.

Merchants Win First Game Of Playoffs

LINDSAY (ENS) — Lindsay Merchants started their Central Ontario Junior "C" hockey playoffs last Thursday with a 10-1 win against Newmarket Redmen.

The round-robin series ends next week with the top two teams meeting in a best-of-seven series.

Two-goal performances by Raymond McCabe, Robert Taylor, Paul Yearwood and Rick Purdy paced Merchants. Gary Heffernan and Garry Lywood tallied singles.

David Day tallied the lone Redman marker in the first period. Lindsay led 4-1 at the end of the first frame, and 6-1 entering the third.

In the opening game of the round-robin, Aurora defeated the Newmarket Redmen 7-1.

On Friday night last the Lindsay Merchants lost to Aurora in the Lindsay Arena.

Haliburton Rink Attend Scugog Spiel

A Haliburton rink skipped by Frank Andison attended th Annual Scugog Mixed Curling Bonspiel held at Lindsay on Saturday last. Frank Andison, skip, Berniece Scott, vice, Raymond Scott, second and Kel Andison, lead made up the rink.

They won their first two games defeating rinks from Peterborough and Dunsford, but lost their third game by a narrow margin to a rink from Lindsay.

To get into the prize circle you had to have two wins and a score of 34. The local rink just missed out by one point when they ended up with two wins and 33 points.

52 rinkks competed with the games being played in Lindsay, Oakwood and Fenelon Falls.

HOCKEY NOTES

The Minden Minor Hockey Association is in high gear and the young hockey players are having plenty of hockey.

* * *

When opening the Minden Winter Carnival, Syl Apps told the young hockey players that he hoped that some day they would be playing with the Toronto Maple Leafs.

* * *

The Minden Monarchs are counting on using some of the hockey players in Haliburton for their team this year.

* * *

Ron Cummings is the leading scorer on this year's Haliburton Highlander's roster.

Report On Ice Fishing Regulations

SNOW DEPTHS

Some snow has fallen in the Lindsay District during the past week resulting in the following accumulations to date.

Area	Ground	Roofs
Apsley	9.5 inches	4 inches
Gooderham	9.9 inches	6 inches
Minden	9.4 inches	5 inches
Haliburton	9.0 inches	4 inches

Ice thicknesses in these areas are reported to be from 10 to 12 inches on almost all lakes except Catchacoma where it varies from 5 to 9 inches.

Incidentally, the Lumberman's Safety Association recently compiled the following information on the relative strengths of ice of varying thicknesses.

Inches of Ice	Safe Load
2	1 person on foot
3	Group in single file
7½	Car (2 ton gross)
8	Light truck (2½ ton gross)
10	Medium truck (3½ ton gross)
12	Heavy Truck (8 ton gross)
15	10 ton
20	25 ton
25	45 ton
30	70 ton
36	110 ton

Slush ice will support only 50% as much weight as clear blue ice; and clear river ice, no doubt due to the current beneath it, is 15% weaker than clear lake ice.

They also pointed out that the sudden application of the brakes of a vehicle increases the weight of the vehicle in direct proportion to the reduction of forward motion.

Of interest too is their statement that ice, like metal is subject to fatigue when continuous stresses are applied.

This condition would become manifest where a roadway, carrying a regular flow of traffic, crosses a lake or river.

ICE FISHING REGULATIONS

And speaking of ice; there have been some recent changes in the regulations affecting the identification of fish huts.

Section 1, Ontario Regulations 164-63 is revoked: this is the one which stated "no person shall occupy a hut on the ice of any water for the purpose of fishing unless it bears on the outside, the name and address of the owner.

Invoked in its stead is Ontario Regulation 13-65, Section 1 of which states, **"No person shall place or occupy or attempt to place or occupy any hut used for fishing on the ice of any of the waters described in the following Schedule unless the hut bears on the outside in numerals not less than two and one-half inches in height, the number assigned to the owner by an officer of the Department in the administrative district where the water is located."**

Schedule

1. The water known as Lake Couchiching in the Counties of Ontario and Simcoe.
2. The water known as Lake Simcoe in the Counties of Ontario, Simcoe and York.
3. The water known as Puslinch Lake in the County of Wellington.
4. The water known as Lake Nipissing in the territorial districts of Nipissing, Parry Sound and Sudbury.
5. The water known as Lake Temagami in the territorial districts of Nipissing.

It will be noted that to date no waters of the Lindsay District have been included in the schedule, therefore, it will not be necessary for fishermen with huts on Lindsay District Lakes to apply to their local Conservation Officer for a number.

Minden Carnival

(Continued from Page One)

Other speakers included MPP Glen Hodgson, former Reeve Lawrence Pritchard and Charles Brandon, carnival chairman.

Five hundred spectators were on hand for Saturday night's exciting junior - intermediate 'C' hockey game between Oshawa and Minden which the visitors won by a 9-4 score.

An estimated 150 persons had to be turned away from the arena for the dance which followed the game.

Prior to the game on Sunday the audience was entertained by a Hootenanny group from Toronto.

Events at Mountain Lake, four miles north of the village, were extremely well patronized throughout the week-end. On Sunday the parking space was jammed to capacity most of the morning and afternoon.

Accommodation in the village and surrounding area was fully booked and late comers looking for accommodation had to travel to resorts near Haliburton, 15 miles away.

Haliburton News Letter

Sorry to learn that Fred Loucks who has not been in the best of health for some time, is at present a patient in a Toronto Hospital. We trust that he will respond to treatment and will be able to be around again soon.

* * *

The passing of Mr. Thomas Stinson, Q.C., is regretted by many in this area and a goodly number of citizens from all parts of the County were present at the funeral. Among those from Haliburton who attended were Glenn Hodgson, M.P.P., R. J. Curry, Reeve Roy Brohm, Ray Archer and C. W. Hodgson.

* * *

Despite the large amount of snow that has fallen during the past three weeks, our streets and sidewalks wherever possible have been kept remarkably free from snow and to those men responsible for this fine job, we can only say well done. Citizens from other points say we are fortunate to have crews of men who really know how to handle large falls of snow with very little difficulty.

* * *

Local Orangemen and their wives and ladies are invited to be present at a Past Master's Banquet at 7 p.m. on February 19th. The occasion will be marked by a presentation of a long service certificate to Mr. C. W. Hodgson, P.G.M. of Ontario East.
